Each car will be given a race day number. We will have the matchups for the first heat posted the day of the competition. The top 10 times from the first heat will compete for the overall winners of the pinewood Derby races. In case of a ties on time we will only use the top 10 cars for the final competition.

In the finals, we select the top 3 timed cars. If there is a tie we will race off the top cars.

We will also have a prize for the "Best Show" car. Encourage your students to get out the paint brushes and design a great looking car.

Thanks
